

Club Information

Please see this brochure for our lunchtime and afterschool club programme. Lunch clubs are free, and students are required to sign up with the teacher at these clubs themselves – I have included the timetable for your information.

When do the after-school activities start?

Most start at 16.00 and finish at 17.00 - see individual details for different timings.

How many children are in each activity?

Please note that if the activity does not meet the minimum requirement of students, they will not be able to run. If an activity reaches the maximum capacity, a waiting list will be created.

How do I book these activities?

Internal activities should be booked and paid for directly through the School Cloud: <https://balearesinternational.schoolcloud.co.uk/>

Payment must be made at the time of booking via Paypal on the booking system. Students not on the list will not be permitted to join the activity. Sign up will not close, so you can always join the activity if you are late joining.

Missed after-school activities will not be refunded; however, if we do not get the minimum number of students required, we will of course refund you.

If you are having problems logging into School Cloud, please email ParentPortal@balearesint.net for support.

External activities should be booked by contacting the provider using the details provided.

If you have any questions, please email Laura Parkes (Head of PE and Extra Curricular Activities): laura.parkes@balearesint.net
