Baleares International College, Sant Agustí Uniform Policy 2025 - 2026

At Baleares International College, we believe that wearing a uniform fosters a sense of unity and shared purpose. This is especially important given that we welcome students from a variety of countries and aim to make them feel part of the community. Therefore, it is essential that all students adhere to the uniform code below.

We are providing clear advice and guidance so that there can be no doubt as to what is expected.

Key policy points:

- Students are expected to take responsibility for wearing the correct uniform and comply with this policy at all times while at school or travelling to and from it.
- The school is a learning environment, and this is reflected in the dress code and the expectations we have of staff and students.
- The school uniform must be worn all year round.
- During the colder months, students must wear suitable warm clothing, including a long-sleeved polo shirt, cardigan or jumper, and long trousers or tights, as set out in the uniform guidelines.
- During the warmer months, students should adhere to the same guidelines when choosing suitable clothing, such as skirts, shorts and shoes.

IMPORTANT UPDATE FOR THE 2025–26 ACADEMIC YEAR:

- From 1 September 2025, all students are expected to wear the new polo shirt uniform.
- Early Years (Nursery and Reception) pupils may continue to wear the sports T-shirt uniform.

Existing uniform items may continue to be worn until they are outgrown; however, old uniforms should not be purchased second-hand when children require new sizes.

Shoes and other accessories

We would like to remind all students and their parents of the following school policy regarding the purchase of school shoes.

Shoes must be all black

- All black plain ankle boots are allowed in cold and wet weather
- Shoes with a coloured logo or coloured/white soles are **not** permitted
- If shoes have laces, they must be black
- In hot weather during the first and third terms, sandals may be worn, provided they are practical and safe, and are either navy blue or black

Skechers shoes would be an acceptable example of this recommendation. Please follow this [link](#) to see Kid's School Shoes here. White trainers are acceptable for PE classes.

We recommend strong shoes that offer plenty of support and toe space to encourage healthy feet development.

Jewellery

- Jewellery is not appropriate for school
- The only permitted items are one watch (**smartwatches are not acceptable**) and one pair of plain stud earrings per ear. Any other jewellery may be confiscated

Hair

- Hair should be a natural colour
- Extreme hairstyles or patterns cut into the hair are not permitted
- Hair that falls below the shoulders must be tied up
- Hairstyles should be sensible and appropriate for the school environment
- Hair accessories such as hair bands and scrunchies must be plain and of natural colours

Coats and Jackets

- Coats are needed in cold weather and should not have inappropriate logos or designs. They should be navy blue, dark grey or black.
- Hoodies, denim jackets and any other non-weatherproof or inappropriate coats are **not** permitted.
- Outdoor clothing (coats, gloves, scarves, etc.) must be removed indoors, including in classrooms, corridors, and the dining area.

Bags and Hucksack

Bags must be a traditional school bag, suitable for students to carry their planner, books and equipment.

These may be either rucksacks, satchels or messenger bags. We do not permit any 'hand bag' style bags, even those large enough to contain books and folders. Footballs must be brought to school in a suitable string bag and carried around as such.
